

Noomo AI Privacy Policy

Last Updated: January 2025

Information We Collect

We collect email addresses for account creation and subscription management.

We store audio files and study materials you create using our service.

We collect payment information through Stripe for subscription processing.

How We Use Your Information

To provide and improve our AI-powered study jingle generation service.

To process payments and manage your subscription.

To communicate with you about your account and our service.

Data Storage and Security

All data is encrypted and stored securely using industry-standard practices.

Audio files are stored in secure cloud storage with access controls.

We implement appropriate technical and organizational measures to protect your data.

Third-Party Services

We use Stripe for payment processing - they have their own privacy policy.

We use Supabase for data storage - they comply with GDPR and SOC 2.

We use Replicate for AI music generation - they process your lyrics to create audio.

Your Rights

You can request access to your personal data at any time.

You can request deletion of your account and associated data.

You can opt out of marketing communications.

Changes to This Policy

We may update this privacy policy from time to time.

We will notify you of any material changes via email or our website.

This policy is effective as of January 2025.
